****New Recording Option!** - students may choose to submit *either* a CD or a USB drive (flash drive) for All State auditions.

1. **CD submissions** - Please do not write your name on the cover of the CD. Use the last four digits of your phone number you have listed on your application, and include the name of your instrument on the CD. **USB/flash drive submissions** - The file name on the USB should be the last four digits of the phone number listed on your application and the name of your instrument. Please do not use your name.
2. Please *do not say your name or speak* at any point on your recording.
3. Make sure to record your audition in the order it is listed in on the audition requirements page.
4. Be certain to test your CD/USB drive in multiple devices to make sure it plays. Our adjudicators need to be able to hear it on any device.
5. Consider packing your CD/USB drive in safe packaging and marking it "FRAGILE". You may also consider sending it with a tracking number so you have peace of mind or recourse with the Post Office, should it not arrive to us on time or in one piece.
6. Should you have additional questions, please email me at indianaallstateorchestra@gmail.com

Wishing you all the best on your audition!
